As a quality initiative, Our Dept. of Microbiology have organized a Webinar and mentoring session with practical demonstration on "Concept of Scientific Writing" for our post graduate students and faculty. We are hereby inviting you as a Resource Person and Mentor at scheduled Webinar on 13<sup>th</sup> July, 2021 at 4.00 p.m. to mark and stand for quality excellence in research attributes. The online meeting details will be conveyed soon.

Kindly confirm the acceptance for the invitation and do the needful.

Thank You and Best Regards!

**Vision:** To transform each person into world-class researcher, writer and publisher to sustain the universe.  
**Mission:** One day international conference

**About International Journal Of Microbial Science (IJMS)**

International Journal of Microbial Science is not only a peer-reviewed but also an open-access journal that is bound to publish original manuscripts based on microbial science. In addition, we focus on quality research across the globe serving sustainable development. Moreover, we consider basic as well as applied microbial science and explore those areas in the globe which are needed by people. We provide a robust and careful peer-review process in order to ensure the publication of world-class articles opening novel windows to biological science and creating new frontiers in the biological sector making human life happy and cheerful. Moreover, the journal has been launched to make quality research worldwide and to provide a track to novel work that needs to be considered. We have a substantially qualified editorial board with high-quality research and publications experience. We are sure that we will give justice to world-class research belonging to colleges, universities, institutes, research laboratories, and related organisations in the world.

**What We Do?**

International Journal of Microbial Science provides proofreading and editing services at a very low cost with a licensed version of editing tools. The journal proofreads research and review manuscripts, synopses, thesis, projects, research proposals, and administrative proposals. To get service, please write to us on [ijms@jspmjscocs.edu.in](mailto:ijms@jspmjscocs.edu.in).

As well, we organize national and international seminars/workshops/webinars/Faculty Development Programs/training programs throughout year. Additionally, we publish high quality papers in our journal related with microbial science.

**Call for Papers**

International Journal of Microbial Science (IJMS), invites you to participate in the "International e-Conference in Biological Science", which would be held on 10<sup>th</sup> December, 2021.

The details of the Conference Proceeding are provided as follows:

It is ideal for UG, PG, and doctoral students and research scholars, academicians, industry professionals and practitioners who are working / has an interest in biological science. We also encourage researchers to participate to create an ideal connection between the research fraternity, academics and industry priorities.

**Proposed Areas:**

- Microbiology
- Agriculture
- Biotechnology

**Sub-topics:**

- The sub-topics for the conference are not limited.

## Brochure of the workshop

### One-Week International Workshop Proceeding in Life Science

Organizers  
**International Journal of Microbial Science and  
Jayawantrao Sawant Commerce and  
Science College, Hadapsar, Pune**

INTERNATIONAL JOURNAL OF MICROBIAL SCIENCE (IJMS) (<http://theijms.com>) publication service has been provided to shorten the time of publication. We aim to publish all the latest and outstanding research articles in all areas of major importance regarding techniques in microbiology and applied research. We publish high-quality review and research articles on novel aspects of Microbiology. Received manuscript for publication will be considered by the editor and if it passes the initial screening, it will be sent for peer review by experts in related fields. If the manuscript is found unsuitable for publication, the editor may suggest you transfer your submission to a more suitable journal or to edit contents.

**What We Do?**  
International Journal of Microbial Science (<https://theijms.com/>) provides proofreading and editing services at a very low cost with a licensed version of editing tools. The journal proofreads research and review manuscripts, synopsis, thesis, projects, research proposals, and administrative proposals. To get service, please write to us to [theijmspublic@gmail.com](mailto:theijmspublic@gmail.com). As well, we organize national and international seminars/workshops/webinars/Faculty Development Programs/ training programs, throughout year. Additionally, we publish high quality papers in our journal related with microbial science.

### Call for Papers

International Journals of Microbial Science (IJMS), invites you to participate in the "International Workshop Proceeding on applied life sciences, which would be held on 1<sup>st</sup>-7<sup>th</sup> February, 2021.

The details of the Workshop Proceeding are provided as follows:  
It is ideal for UG, PG, and doctoral students and research scholars, academicians, industry professionals and practitioners who are working / has an interest in life science. We also encourage researchers to participate to create an ideal connection between the research fraternity, academics and industry priorities.

Proposed Areas:

• Cancer research	• Agriculture
• Immunology	• Bioinformatics
• Antibiotic resistance	• Microbiology
• CRISPR Technology	• 3D printing
• Biotechnology	

**Awards**  
The participants are required to present already published papers and awards will be given to top graded works in each proposed area.

**Guidelines for Submission of manuscript:**  
Authors are requested to send their published manuscript to [ijmsproceedings@gmail.com](mailto:ijmsproceedings@gmail.com) till 20<sup>th</sup> January 2021. Authors are then requested to present their paper in Workshop Proceeding and top works will be given awards and others, paper presentation certificates.

## Notification of Acceptance

The Workshop Proceeding Committee would intimate the authors via email on receipt of papers. Post 20<sup>th</sup> January 2021, all the collated papers would be categorized and sent to the reviewers for the review process. Post review, the Workshop Proceeding committee would intimate the authors of the selected papers regarding the acceptance of the same via email by 25<sup>th</sup> January 2021. Acceptance of the paper implies that at least one of the authors will attend the Workshop Proceeding and present the paper.

## Best Paper Award

Three of the papers submitted for presentation in the Workshop Proceeding would receive Best Paper Award in recognition of outstanding contribution in life science.

## Brochure of the two days international conference proceeding in life science

### Two-Days International Conference Proceeding in Life Science

Organized by Jayawant Rao Sawant Commerce and Science College, Hadapsar, Pune and International Journal of Microbial Science

**About INTERNATIONAL JOURNAL OF MICROBIAL SCIENCE (IJMS)**

International Journal of Microbial Science (IJMS) (<http://ijmsjournal.com>) publication service has been provided to shorten the time of publication. We aim to publish all the latest and outstanding research articles in all areas of major importance regarding techniques in microbiology and applied research. We publish high-quality review and research articles on novel aspects of Microbiology. Received manuscript for publication will be considered by the editor and if it passes the initial screening, it will be sent for peer review by experts in related fields. If the manuscript is found unsuitable for publication, the editor may suggest you transfer your submission to a more suitable journal or to edit content.

**What We Do?**

International Journal of Microbial Science provides proofreading and editing services at a very low cost with a licensed version of editing tools. The journal proofreads research and review manuscripts, synopsis, thesis, projects, research proposals, and administrative proposals. To get service, please write to us in [ijmsjournal@gmail.com](mailto:ijmsjournal@gmail.com). As well, we organize national and international seminars/workshops/seminars/faculty Development Programs/ training programs, throughout year. Additionally, we publish high quality papers in our journal related with microbial science.

**Call for Papers**

International Journal of Microbial Science (IJMS) invites you to participate in the "International Conference Proceeding on applied life sciences", which would be held on 1<sup>st</sup>-2<sup>nd</sup> March, 2021.

The details of the Conference Proceeding are provided as follows:

It is ideal for UG, PG, and doctoral students and research scholars, academicians, industry professionals and practitioners who are working / has an interest in life sciences. We also encourage researchers to participate to create an ideal connection between the research fraternity, academicians and industry priorities.

**Proposed Areas:**

Oncology (Cancer research)	CRISPR Technology
Immunology	Bio-technology
Agriculture	Biotechnology
Microbiology	3D printing
Cell Biology	Nanology
Genetics	

**Sub-topics:**

- The sub-topics for the conference proceedings are not limited.

**Guidelines for Submission of Abstracts**

The length of the abstract should be between 300 to 500 words. Abstracts should include the following: background, purpose, methodology, results and conclusion. In the cover page, the author(s) should mention under which track of the proceeding the abstract is to be included. The abstract should adhere to the following:

- Length: 300 to 500 words including cover page and references
- Margin: 2.5 cm on 1 inch
- Font: Times New Roman, 12 point
- Spacing: 1.5
- Cover page: Title, Author(s), Track, Affiliation(s), Contact details
- Key words: 3-4

The author details should be mentioned in the cover page ONLY. Any other pages of the abstract should NOT contain any author(s) details. Abstracts will be subjected to blind review process and only those abstracts approved by the reviewer will be selected.

Abstracts in MS Word/pdf format should be sent to [ijmsjournal@gmail.com](mailto:ijmsjournal@gmail.com) within 15<sup>th</sup> February 2021. Post blind review, the conference proceeding committee would intimate the authors of the selected abstracts regarding the acceptance of the same via email in a week time. Acceptance of the abstract implies that at least one of the authors will attend the proceeding and present the paper.

Authors are requested to send their manuscript to [ijmsjournal@gmail.com](mailto:ijmsjournal@gmail.com) by 28<sup>th</sup> February 2021. Authors are then requested to present their paper in Conference Proceeding and top works will be given awards and others, paper presentation certificates.

**Notification of Acceptance**

The Conference Proceeding Committee would intimate the authors via email in receipt of papers. Post 13<sup>th</sup> February 2021, all the collated papers would be categorized and sent to the reviewers for the review process. Post review, the conference proceeding committee would intimate the authors of the selected papers regarding the acceptance of the same via email by 20<sup>th</sup> February, 2021. Acceptance of the paper implies that at least one of the authors will attend the conference proceeding and present the paper.

**Guidelines for Submission of Selected Papers**

- Authors guidelines for Journal of Applied Biology & Biotechnology (JABB)  
For Preparation of Manuscript please visit: <https://jabb.ksars.ac.in/authors-guidelines.php>
- Authors guidelines for Asian Journal of Microbiology, Biotechnology and Environmental Science  
For Preparation of Manuscript please visit: [http://www.asianjournals.com/author\\_instructions.php](http://www.asianjournals.com/author_instructions.php)

**Best Paper Award**

Three of the papers submitted for presentation in the International Conference Proceeding would receive 'Best Paper Award' in recognition of outstanding contribution in life science.

**Paper Publication**

All accepted manuscripts will be included in conference proceedings and outstanding papers will be published in the special issue of:

- Journal of Applied Biology & Biotechnology, Indexed in Scopus, covered in Clarivate Analytics (formerly Thomson Reuters), indexed in Web of Science under biological abstracts and BIOSIS previews, indexed in ICT Journal Master list (ICV=100, UGC care listed journal).
- Asian Journal of Microbiology, Biotechnology and Environmental Science: PEER-REVIEWED JOURNAL, Accredited with National Academy of Agricultural Sciences, NAAS, India (NAAS rating-4.51).

**Registration Fee**

All participants are required to register for the proceeding.

For all participants	Date	For Indian Nationals	For Foreign Nationals
Early Registration	Before 20 <sup>th</sup> February, 2021	1100 INR	\$10 US dollars
Late Registration	21 <sup>st</sup> - 25 <sup>th</sup> February, 2021	1500 INR	\$10 US dollars

**Note:**

1. Start time given above indicates Indian Standard Time (IST).
2. All authors should be present in the conference during presentation of their manuscripts.
3. Those authors who will not present their work in conference will not be considered for publication of their papers.
4. Presentation will be conducted using google meet. To join the meeting on Google Meet, click this link: <http://meet.google.com/nsl-besh-hm> Or open Meet and enter this code: nsl-besh-hm
5. Original file of manuscript should be presented in word format.
6. Any one author should present the paper who will get presentation certificate.
7. Those co-authors who want certificate should register separately to get a certificate.
8. Attending inauguration session is compulsory to all.
9. Participant using google meet will be admitted 1-2 hours prior to their scheduled time.
10. Participants are requested to follow the scheduled time, especially regarding the time of their talk.
11. If your manuscript got accepted in JABBS, you are required to pay Rs. 6,000/- and in case of Asian Journal of Applied Microbiology, Biotechnology and Environmental Sciences, it is 5,000/- Only selected articles will be published.

**Very Important:**

12. The committee members of IJMS will decide which manuscripts to be selected in the conference to submit in JABBS or Asian Journal of Microbiology, Biotechnology and Environmental Science.
13. In both cases of selection or rejection the message will be communicates to corresponding author within a week after conference.
14. The selected manuscripts will be submitted to respective journal by creating author accounts.
15. After submission to the journal, the review board of it will again review the data and corresponding authors will be informed about decisions by journal such as acceptance, revision, rejection. If in case of revision, IJMS board will support the author to revise their data free of cost.
16. The rejected manuscripts will not be considered for further process.
17. All authors who registered for conference will get lifetime scientific support from International Journal of Microbial Science.
18. The rejected manuscripts will be returned to corresponding authors.

Brochure:

**Microbiologist's Society, India**

In collaboration with

**International Journal of Microbial Science (IJMS)**

Organizing

One day national webinar

On

**"Scientific writing in life science"**

**Date: 25 April 2020 (Saturday)**

Dear all, in scientific domain, presentation of knowledge in writing format has crucial importance in the world since better delivery of the data results into higher response from people that makes a person outstanding writer. However, many researchers are not able to present their work in front of target audience due to lack of proper guidance and worldwide training programs. The same problem is observed throughout the globe in more or less quantity. Even people are interested to write on science based materials but they don't know how to write it leading to loss in their academic or research careers.

In order to solve the problems in question and make researchers masterpiece in scientific writing, Microbiologist's Society, India arranges one day national webinar on "Scientific writing in life science" in collaboration with International Journal of Microbial Science (<http://www.theijms.com>), a peer reviewed open access journal, on 25 April, 2020. The eminent speakers across nation will deliver talks on writing of research and review manuscripts along with review skills.
