**LETTER *from* FOUNDER**

Greetings and best wishes from NE8x for successfully making it to winner's list of the NE8x Online Literature Fest 2019 Edition. We are honoured to have featured you on our platform. It was a great honour to discover your literary journey & exceptional contribution impacting readers across genres through esteemed books and beyond.

NE8x started as a digital accelerator has been recognising and providing platforms to exceptional influencers across literary domains, in our own small and significant way. We know from the manuscript drafts to publishing that book, is itself a journey worth sharing that an author goes through, but that is just the beginning of a much bigger endeavour that follows. In the ecosystem of aspiring & established authors, publishers, reviewers and full stack book marketing agencies, collaboration plays a key role. We as an accelerator are trying to bridge the gap digitally. We will require your support in building a next generation author-first assistance platform that aggregates all the important pillars of the literary ecosystem. On the onset of the second edition launch of NE8x Online Litfest 2020 we look forward to collaborate with you and build the future together. Your suggestions as always, are welcome at your own NE8x Publish Family.

**Keepwriting.**

*With best regards*

Yours sincerely  
Shri. Roy Riddhiniil  
Founder, NE8x
