Soft Skills is a very popular term nowadays, used to indicate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in team and other personality traits that characterize relationships between people. Soft Skills are traditionally considered complementary of Hard Skills, which are the abilities to perform a certain type of task or activity. Soft Skills are strategic to be successful in personal and professional life then is essential for the students when they try to obtain any kind of job. Enterprises generally hire new employees, in particular recent graduates, taking more in consideration their Soft Skills than their Hard Skills. This happens also for technical professions, because the company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere. The departments of the college have organized various types of activities to develop the soft skills of the students enrolled with the institution. These activities of the departments and platforms available helped the learners to learn and acquire soft skills like Communication Skills, Presentation Skills, Written Communication, Interpersonal Skills, Creativity and Leadership etc.

These activities of the departments and platforms available helped the learners to learn and acquire soft skills like Communication Skills, Presentation Skills, Written Communication, Interpersonal Skills, Creativity and Leadership etc.

The students are given in depth lessons by organizing workshops, group discussions and expert talks etc. To improve the Presentation Skills the departments conducted seminars of the students.

The students get participated and perform active role in the Seminars. Topics are given to them to prepare and present to assess their performance.

**Every year the departments organize such seminars as a regular feature of the campus.**

The main aim was to develop confidence in students and improve their communication skills. This session was taken for students to make them understand the importance of Public Speaking and develop stage daring as well.

**More than 116 students benefitted from it.**

### **OBJECTIVE:**

Yoga is an ancient art for building up healthy mind. The concept of yoga indicates the connection of human soul to supreme power. The role of yoga in education as per the spiritual aspect helps the students to perform their daily duties in the day to day lives. It enhances the self-realization or self-awareness. It unfolds mental and spiritual attributes. It enhances the will power. Not only the spiritual upliftment is there but a lot of physical benefit a student can get from yoga. Nowadays stress is a great challenge before the students and yoga has a great role to reduce stress. Medical science always says that stress is the fundamental factor behind every disease. Stress plays a negative role in human body. Due to stress students could not perform in better way. So yoga helps in establishing a positive impact on students during education.

**By considering the importance of Yoga & Meditation Jayawantrao Sawant College of Commerce & Science conducted "Yoga Course" for B.Com & B.Sc from 28th June 2022 to 13th July 2022. **Venue:** JSCOCS

### **AIM & OBJECTIVES**

Yoga is an ancient art for building up healthy mind. The concept of yoga indicates the connection of human soul to supreme power. The role of yoga in education as per the spiritual aspect helps the students to perform their daily duties in the day to day lives. It enhances the self-realization or self-awareness. It unfolds mental and spiritual attributes. It enhances the will power. Not only the spiritual upliftment is there but a lot of physical benefit a student can get from yoga. Nowadays stress is a great challenge before the students and yoga has a great role to reduce stress. Medical science always says that stress is the fundamental factor behind every disease. Stress plays a negative role in human body. Due to stress students could not perform in better way. So yoga helps in establishing a positive impact on students during education.

**By considering the importance of Yoga & Meditation Jayawantrao Sawant College of Commerce & Science conducted "Yoga Course" for B.Com & B.Sc from 24th June 2019 to 6th July 2019. Total 89 students were present for the course.**

On 24<sup>th</sup> June, 2019 the course was initiated by our honorable Principal, Dr. H R Kulkarni. In his speech, he spoke about the importance of yoga in education system. Mr Banne Namdev told about syllabus of Yoga Course.
